

What you can expect when you choose CCN Insurance Consultants as your Broker

Having contracts with many of the conventional Insurers we will approach them based on **your specific requirements** to obtain **competitive** quotations for **your consideration**

You will have the products security requirements where applicable plus excesses and any restrictions explained to you

You will be guided through the claim procedure and form completion and can be assured that we will attend to the claim submission negotiating with your Insurer through to satisfactory claim finalization

Changes to your policy either deletions or additions will be attended to within the same day providing you have supplied all the relevant information to us

Cross border letters will be done as and when requested by you

Confirmation of Insurance to your financial institution will be done within a working day

Then of course we will give you suggestions on ways to save premium

Guidance on adjustments to sums insured on vehicles and other assets values will be given at least annually
